

*Dear Parents/Guardians:*

*The purpose of this letter is to request individuals to tune your radios to the following stations for school closing news, due to inclement weather conditions or other emergencies situations): WMAM (AM 570), WLST (FM 95.1), WSFQ (FM 96.3), WHYB (FM 103.7), WAGN (AM 1340). The television stations we will contact are Channel 2 (WBAY), Channel 5 (WFRV), Channel 11 (WLUK) and Channel 26 (WGBA) out of Green Bay.*

*In making the decision to cancel school due to inclement weather, the District's transportation contractor will be consulted regarding road conditions. Additionally, consideration will be given to the present local weather conditions along with the most recent forecast for the remainder of the day. Conditions in different areas of the District may vary greatly. We have no way of knowing which roads are plowed or unplowed. If you are in a location of unplowed roads, you may wish to have your children walk out to a main road to board the bus, if this is a reasonable distance. A few unplowed roads in the rural areas do not always warrant a school cancellation. If weather conditions and road conditions are reasonably questionable to you as a parent, you may choose to keep your child(ren) home and the District will honor the absence as "excused" with a written note from a parent.*

*Working parents should have plans for childcare if the need should arise to cancel school all day. Arrangements should also be made so that no children are locked out of their home if an early cancellation is necessary.*

*Please keep this letter readily available so that you can reference the radio stations and television station used for the school cancellation announcements.*

*If you have any questions regarding this matter, please feel free to contact the schools or the Administrative Office.*

*Respectfully,*

*PESHTIGO SCHOOL DISTRICT*

*Kim Eparvier, District Administrator*
